Dear MEPS, members of the EU-Catalonia Dialogue Platform,

First of all thank you very much for your commitment with the human rights and democracy. I am fully convinced that the current political conflicts is a tool for the freedom movement all over the world.

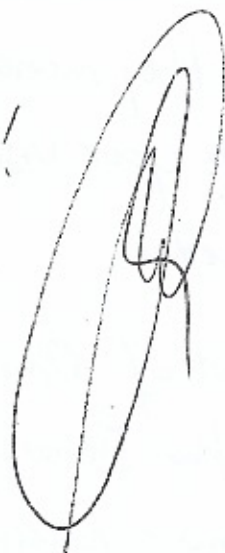

Unfortunately the Spanish authorities show you, on December 19th, 2017, how they manage our imprisonment. Any way I highly appreciate your visit and invite you to insist as many times as it is needed.

I am the President of Òmnium Cultural, an institution founded in 1961 during the Franco regime, with a fundamental mission which is today more necessary than ever. In a society such as ours in Catalonia, where migration has been structural for a great many years, the preservation of social cohesion is and has always been a priority objective. Our institution has over 120.000 members who represent a broad culturally and politically very diverse segment of Catalan society. Catalan culture and its language therefore play a constantly evolving role of shared spirit.

I would like to thank you once again for your
commitment and be sure that we are very proud
to be part of the European society and this is the
reason we are sure that the solution to the current
situation will arrive by dialogue and empathy between
all the parts.

Warm regards!

Salut i salut!

JORANI CUIXANT

President d'Òmnium Cultural
